Chippewa Volunteer Guidelines

Sign In and Out: Volunteers must check in at the office or Greeter Desk when entering and leaving Chippewa Middle School.

Dependability: Students and staff count on volunteers to be on time and to be prepared. Volunteers are expected to call if they will be late or absent.

Student Discipline: Staff members are responsible for student discipline and behavior management. Volunteers should respond to student misbehavior only as defined by their duties and should otherwise seek out staff.

Confidentiality: Volunteers may have contact with and access to confidential information as a result of their relationship with the District. This includes, but is not limited to, student records and information. Confidential information must never be used by volunteers for any purpose outside the scope of their duties.

I certify that the information I have given in this application is accurate and up-to-date. I understand that submitting this application does not guarantee my acceptance into the Volunteer Program, and that assignment of volunteer work is based on the assessment made by the staff.

I understand that if I have misrepresented application information and/or fail to adhere to program guidelines, I may have my application approval withdrawn. I understand the District may request a background check on me pursuant to the Minnesota Child Protection Background Check Act. Information will be provided regarding my rights, and I will sign an appropriate release authorization if requested to do so.
