

# Irondale High School Activities

## Release Form to Waive Participation Fees – Please Read

To have the athletic or fine arts participation fee waived, a parent/guardian must fill out the Mounds View Public Schools Application for Education Benefits form for free or reduced lunches and be approved. It is necessary to reapply for this benefit each school year. These forms are mailed to every household in August. Forms are also available in the Irondale Activities Office and Student Services. The completed application should be returned to the Nutrition Services Department at the Mounds View Schools District Office at 350 Highway 96 West, Shoreview, MN 55126.

If the student qualifies for free or reduced price meals, the registration fee for athletic and/or fine arts participation will be waived.
