

Irondale Hockey Girls!!

Hockey is just around the corner and it is time to start thinking about our high school hockey season. Enclosed you will find all the information you need to get a jump start on our primary season fundraiser.

Each player is required to contribute a minimum but not limited to **\$200.00** for the Booster Club. Booster Club fees are used to pay for team apparel, an overnight tournament trip, program book publication, training materials, special events such as Youth Appreciation, Parent's night, Senior's night and banquet expenses for each coach and player.

All players have the opportunity to raise all or a portion of the fee by soliciting ads for the Irondale Girls' Hockey program books which are available at all home games. The ads can come from businesses or friends/family members can sponsor a player with a personal message to their favorite player by submitting an ad for the "Maroon & Gold" or the "Grandparent's page".

For ease in bookkeeping, we ask that all ad money be submitted in the form of a **check made payable to IGHBC**. In order to ensure that the program book is published prior to our first home game, we require all ads and fees be returned by October 19, 2007. If you have any collected prior to that day feel free to get them in early so the book can get started.

Please note: Middle school players planning to try out for the high school team are also invited to solicit ads; however they will not be required to pay the balance of the fee, not raised by ads, until after the teams have been selected. No money solicited from businesses will be refunded to players who do not play for the high school team. However, once a player secures an ad from a business, that player "owns" the ad for the duration of her high school hockey career. If a player solicits an ad that is on the enclosed sheet, meaning it is already owned by another player, the person who originally secured the ad will receive credit for the money raised. Copies of the 2006-2007 program books are available if any player would like to distribute them while soliciting.

If you have any questions regarding the program book please feel free to call Jodi Lorence @ 763-786-5977 (jodilorenc@aol.com), Kim Giessert (Bye) @ 651-343-1957 (Cell), Julie Brown-Bungert @ 612-978-3004 (Cell), or Deb Rappa @ 651-270-5501 (Cell) from the booster club if you would like a book or if you have any other questions, our email address is:
