BG-0106 School Board Agenda Items

It is the responsibility of the Superintendent, in consultation with the School Board Chair and Vice Chair to prepare the agenda for each meeting. Board members requesting items to be placed on the agenda will contact the Chair prior to an agenda setting meeting. Citizens do not have the authority to determine what is on the agenda. A proposed item may or may not be appropriate and timely for a particular agenda item. Citizens who wish to address the School Board may do so regardless of whether or not a topic is on the agenda.

Rationale:

The Superintendent and School Board must not abdicate their authority and accountability for School Board agenda items to any member of group of the public.
