

# Mounds View Public Schools Ends and Goals Policy

## **EG-5113**                      **Purchasing and Fiscal Control**

The Mounds View School Board authorizes the Superintendent or its designees to make all expenditures and procure all materials, goods and supplies necessary for the operation of Mounds View Public Schools within District policy and operational structures and within approved budgetary guidelines.

### **Rationale:**

The Mounds View School Board is responsible for the finances of Mounds View Public Schools, and is the only body that can delegate the authorization of expenditures.
