Personal Learning Plan Goal Page

Personalized Learning (BETA) [What is a 'beta'?](#)

The purpose of the Personalized Learning Plan (PLP) is to monitor student progress to post secondary success. The PLP will be developed by you, your student and your student's dean. If your student shows proficiency, we would encourage you to access the Naviance Planning System at <http://www.moundviewschools.org/news.asp?DocID=1876> Our goal is that all students will use the Naviance tool to explore career options.

Personal Plan

Based on the student's current performance, in Math and/or Reading, a personalized goal has been developed. This goal is derived from the student's most recent assessment performance.
