

# **Mounds View Public Schools Ends and Goals Policy**

**EG-2102**

## **Program Equity**

Mounds View Public Schools will maintain curricular program equity through the use of district learner outcomes referenced to the Minnesota Academic Standards and measured through a coordinated comprehensive assessment system. The District curriculum will be aligned with the outcomes and with the assessment system. The curriculum and learner outcomes developed pursuant to this policy will receive periodic review according to a cyclical schedule. Procedures implementing this policy are contained in Regulation EG-2102.
