

Mounds View Public Schools Ends and Goals Policy

EG-5151 **Real Property**

Mounds View Public Schools will maintain a master plan for use of its real property. The School Board shall authorize a periodic review of efficient use of school buildings and provide quantitative consideration to the acquisition, utilization and disposition of real property.

Rationale:

The School Board is responsible for oversight of District resources including real property and must assure that neither under nor mis-utilization of property occurs.
