

Mounds View Public Schools Ends and Goals Policy

EG-5131

Legal Defense

Mounds View Public Schools will provide legal counsel for members of the Mounds View School Board and employees for any cause of action that arises from actions undertaken which are within the scope of the authority delegated to the Board member or employee and in circumstances in which they have acted in good faith. This provision to provide legal counsel will not exceed state statute or the contract language of District insurance agreements.

Rationale:

Board members and employees should have legal defense costs covered when acting in an official capacity.
