# STAY IN TOUCH

## 2008-09 School Directory

NEW PHONE NUMBERS HAVE BEEN ASSIGNED TO YOUR SCHOOL. The District upgraded the phone system to include new safety features and direct-dial numbers for each classroom. The upgraded phone system allows parents to bypass the front office to reach teachers directly, and offers new safety features that will provide emergency response personnel with room-specific information in the case of emergency calls.

# 651-621-7900
