

Mounds View Public Schools Superintendent Limitations Policy

SL-0401 Exceeding of Annual Budget

The Superintendent will not knowingly exceed the approved annual budget and may not reallocate funds for unintended purposes or outcomes.

Rationale:

The budget is a reflection of the intention and direction of the Board in providing “What” to “Whom” at “What Cost”. The Superintendent and District do not have the authority to knowingly change that allocation of funds.

Monitoring Method: Board assessment and External Audit

Monitoring Frequency: Annually
