(date)

Subject 2009-10 School Calendar/s

1. Action 3. Report/Information
2. Consent Executive Summary on Reverse Side

Presenter/s John Ward, Director of Human Resources & Operations

BACKGROUND *(If necessary, additional information is attached)*

Members of the Joint Policy Committee met on December 3, 2008 and developed the 2009-10 calendar option #1. Since that time, there have been indications that the legislature may change the law that currently requires districts to start school after Labor Day and permit districts to start school a week earlier. Based on this possibility, a second calendar option #2 has been developed for 2009-10.

The rationale for approving two calendar options will be explained and discussed by the School Board and administration.

ADMINISTRATIVE RECOMMENDATION

It is recommended that the Board adopt the 2009-10 calendar options as presented.
