Old Business

Status reports were given:

Bookfair—The bookfair starts on Tuesday.

Fundraising—Some parents have submitted feedback & ideas for changes in the PTA fundraising. We have already signed our contract with Geckler for next school year. Since Terry Crane will be taking over as the fundraiser chair, from Sue Johnson, it was best to not make a change in companies so soon. It is possible to change fundraising for the following school year, but since the Geckler sale accounts for about half of the PTA budget (approximately \$18,000), it is important that we plan carefully before making any changes in fundraising. It is difficult to raise that much money with smaller-scale fundraising, unless you do multiple successful fundraisers throughout the year.

T-shirt Sales—The t-shirt sale total is still \$42.67 under. More sales are expected during the science fair, however, so this is should change. This year t-shirts were pre-ordered, but we could take orders for next year instead, as was done in the past. There was discussion regarding t-shirts including whether we could have student art printed on them next year, would we do the sales once or twice per year, and should we use the road runner logo next time? The price per shirt is the same no matter how many we order.

Co-Treasurer—Jane Kennedy has taken the position as co-treasurer to assist Leta.

Principal's Report

Principal Flansburg was unable to attend the PTA meeting, so there was no principal's report.
