

IMPORTANT INFORMATION REGARDING FALL SPORTS:

Registration will open for all Fall Sports on Monday July 26, with practices/try-outs beginning on Monday, August 16, 2021. Registration must be completed online through the Irondale Activities website at: <https://www.moundsvIEWSschools.org/Page/5324>. Students must be registered in order to try-out. Any athlete that does not make a team, or decides to drop prior to the 1st contest is entitled to a full refund of their registration fee.

Registration will close for all Fall sports by Monday, September 6th (Labor Day). Sports that hold try-outs and are required to make cuts may have an earlier closing date. Please check individual sport webpages for additional information regarding registration closing dates.

There will be a mandatory Fall Round-Up Parent/Athlete Meeting on Thursday, August 26th in the Irondale Auditorium from 6:00 pm – 7:30 pm. All athletes should plan to attend along with at least one parent/guardian. Representatives from all sports will be present, along with our athletic training staff. Help will also be available for those needing assistance completing their online registration. If you are unable to attend, please contact the head coach of your child's sport (see contact info below) prior to August 26th.

Physicals are good for 3 years from the date of the exam, and must be valid for the entire season the athlete will be participating in. A valid physical must be in our system in order to open the online registration form. New physicals require 24 hours to process. Physicals can be submitted via e-mail, fax, US Mail, or by dropping off in the Irondale Activities Office. To check the date of a student's last physical, log in to your ParentVUE account and select the Student Info tab. The current physical date is located at the bottom of the page. Copies of the 2021-22 MSHSL Physical form are available in the Activities Office, and also on our Activities website.

The following is a list of athletic offerings for the Fall Season along with fee amounts, and coaches contact info.
