PRESENTATION IN THE AUDITORIUM

6:30 – 6:50 PM

On Tuesday, September 17, we welcome 7th and 8th grade Chippewa parents to learn more about their child's day at school. Parents and guardians will have an opportunity to hear a brief presentation and walk through their student's schedule.

If you are a **parent/guardian of a 7th grader** who will be attending Laurentian this year, please join us for a **LEC presentation at 5:45 pm in the Auditorium**. There will be important information shared about the trip and if needed a chance to turn in all forms.

Listed below is the schedule your child filled out for you. We encourage you to check ParentVue to verify room numbers. The format for the evening will follow an abbreviated schedule beginning with Period 1 at 6:55 pm. We look forward to meeting all of our parents! As much as we enjoy seeing your student, this is designed for parents, as space is limited.

Please follow your child's **first semester courses**. There will be opportunities later this winter and this spring for you to meet his/her second semester teachers.

**** All PE elective classes will meet in the auditorium.**
