

## **Articulated College Credit (ACC)**

College credit associated with courses that have an articulation agreement with our school district makes it possible for students (grade 9-12) to earn college credit. ACC courses are offered in the areas of Arts, Business & Marketing Education, Family & Consumer Science and Career & Technology Education.

Course options include:

Accounting	Advanced Marketing	Business Management
Hybrid Accounting	Business & Personal Law	College Financial Accounting
Advanced Accounting	Business Applications	Fashion Marketing
Hybrid Advanced Accounting	Business Entrepreneurship	Interactive Media
	Business Ethics	
Photoshop for Publishing	Word Processing for College	Introduction to Careers
Sports, Entertainment, and Hospitality Marketing	Child Psychology & Development	Career Skills
Wealth Building	Housing & Interior Design	Advanced Careers
Web Page Design	Digital Photography 1	College to Careers
