

## **College In The Schools (CIS)**

This program is operated in conjunction with the University of Minnesota. Seniors who meet requirements may enroll and earn four semester credits at the U of M, while meeting Mounds View High School English or Math graduation requirements. Selected other colleges and universities will accept these credits as well. Courses offered include:

CIS Introduction to Literature

CIS University Writing

CIS Introduction to Statistics

For more information about CIS courses, please visit the U of M website:
