

Baby Picture information: Please Read

Dear parent of an Irondale senior,

*It is a tradition here at Irondale to give parents of seniors the option of including a baby picture of their son or daughter in the yearbook. This is not mandatory, but many of the senior parents take advantage of this opportunity. **Please consider this opportunity to put a special memory and message into your son or daughter's last high school yearbook.** The cost is \$25.00 and covers the cost of the extra space it takes to include these in the yearbook. We'd love to have baby pictures from as many seniors as possible. Please read and understand the procedure and deadlines for submitting these pictures.*

The deadline for submitting a baby picture is by October 31st, 2018. The picture should be emailed to me as a jpeg to idyearbook@moundviewschools.org. ***If you need to send me an original picture and want the picture back, you must include a self addressed stamped envelope with your order.*** Please be sure to label the picture on the back with the student's first and last name. If you don't want to give up the hard copy, you can make a color copy of it to submit to us, or simply scan it into digital form. A completed order form, \$25.00 payment, and the picture must all be submitted by the due date in order for us to include the baby picture in the yearbook. If you miss the deadline, we will not be able to include the picture in the book, so act now!
