Booster Club and Volunteers

Please get involved! We need your help to make our soccer season run smoothly. The Booster club is a parent volunteer run organization and we can't do it without your help! Volunteer to work concessions, be a team manager, team photographer, organize team activities. We will be looking to fill all of these positions ASAP.

Contact your co-chairs Janell (janellmomsen@yahoo.com) or Nicki (nickioswald19@gmail.com) for more information.

Communication!

Our main form of team communication is through the IHS soccer website and through email. Please check both often for the latest information.
