

# PATHWAYS TO POSSIBILITIES

Mounds View Public Schools offers our students the opportunity to explore a variety of careers through specific coursework aligned to industry pathways. Exploration continues with exposure to industry experiences that allow students to follow their interests and prepare for further post-secondary study, training or work opportunities.

## AREA OF INTEREST

## PATHWAY(S)

Automotive	<ul style="list-style-type: none"> <li>Auto Service Technician</li> <li>Welding</li> </ul>
Business	<ul style="list-style-type: none"> <li>Business</li> <li>Information Technology</li> </ul>
Construction & Solar Technology	<ul style="list-style-type: none"> <li>Construction &amp; Solar Technology</li> <li>Welding</li> </ul>
Engineering & Manufacturing	<ul style="list-style-type: none"> <li>Engineering, Manufacturing &amp; Technology</li> </ul>
Liberal Arts	<ul style="list-style-type: none"> <li>Associate of Arts Degree</li> </ul>

Working directly with their deans, students create a four-year plan which provides a roadmap of courses that is revisited throughout high school. Students can enroll in one or more recommended pathway core courses depending on interest areas. Pathways are flexible, not fixed, allowing students to take courses in any area of interest with no restrictions. Some of these courses offer the opportunity to earn free college credit.
