E	A	G	L	E
Make a meal and do the dishes	Dream, research, and report on two careers you would like to have in future	Write a paragraph -- if you could go back to your five year old self, what advice would you tell yourself?	Do a job for a neighbor (example: shovel)	Create 3 landforms out of snow
Watch a news program to explore a current event issue.	Listen to music and draw what you see and feel	Play cribbage, checkers, chess, or a card game	Read to a sibling, a pet, or to yourself	Write a letter to someone who has made a great impact on your life--explain how he or she impacted you
Design a business. What product would you create? Why would someone invest in your product?	Write a poem describing your favorite (or least favorite) season	Do something kind for five different people in one day. Write about it, how did it make you feel?	Create a math worksheet with several problems that reflect what we are currently working on in class. Make an answer key. Give it to an adult and correct their work.	Learn how to wash and dry a load of laundry
Create a travel plan for a country you'd love to visit. What would you do there?	Have a sled race and think about the factors that would cause one person to beat the other	Build a catapult that would toss a small ball (ping-pong, tennis ball)	Learn who your state and federal congress people are and write them a letter about an issue that you care about	Play a board game with siblings or solitaire by yourself
Write a paragraph -- if you could go back in time, where would you go and why?	Create a positive post on some social media (either really do it or write out what it would be)	Double a recipe and make it	Create a graph of the amount of snowfall and/or temperature, or create a map to scale of where you live	Watch a TV show (with your parent's permission). Pretend you are a critic and write a review of it
