

MVHS MUSTANG CLUB 2019-2020

The Mustang Club is a parent organization whose goal is to financially supplement Mounds View High School's academic, athletic and fine arts programs with enhancements that may not be funded as essential components of these school programs. The Mustang Club is made up of a handful of parents that meet three to four times a year. Our focus is to review requests from teachers, coaches, and staff and fund requests that serve students in a positive and impactful way.

Our Annual Donation Drive is our primary source of fundraising and we don't ask our students to sell items to raise funds. In 2017 and 2018, we received gifts in excess of \$10,000 each. 100% of the money donated to the Mustang Club goes directly to benefit students. Your support and continued help will enhance our students' educational experience and keep Mounds View High School one of the premier schools in the state.

Through generous donations, the Mustang Club has recently supported MVHS by funding the following:

Contributions to Senior All Night Party	Interactive Monitors for Science and Chemistry
Physics Fair	Cultural Awareness Initiative support
Bottle Fill drinking fountains	Multiuse practice walls
Score Board enhancements	Mustang Mentor T-shirts
10 New Benches for Tennis Courts	Sound System for Gymnasium
Annual Scholarships – 2 (\$500)	Culinary Arts and Science class equipment
Information Monitor in the Commons	Digital pianos

As you know, school budgets are limited each year to what is considered "essential." Donations to the Mustang Club will enhance student's MVHS experience well beyond the "essentials." All donations made to the Mustang Club are tax deductible. We thank you for your interest in the Mustang Club and your support of Mounds View High School.

Mustang Club Board Members

Rob Delaune	Tony Nelson	Heather Woldt
Donette Redmond	Jennifer O'Quinn	Principal Stephanie Bruggers

The Mustang Club typically meets in the fall, January and spring of each school year. Please refer to daily announcements for more information or email at MustangClubMVHS@gmail.com.
