

Pinewood Elementary Fall Learning model family survey results

We recently invited parents to provide feedback on the learning model(s) they participated in this fall/winter. Here's what we learned from those who participated in the survey.

- **Most families are satisfied that Pinewood is doing its best to serve all students and families.**

Of the 114 families that responded,

- 68% were very satisfied
- 23% were somewhat satisfied
- 4% were somewhat dissatisfied
- 5% were very dissatisfied

Families responded to the survey based on the learning model their student participated in:

Responses from families who participated in distance learning	Responses from families who participated distance learning and blended learning
Most Pinewood families are satisfied with distance learning	
63% Very satisfied 37% Somewhat satisfied 0% Somewhat dissatisfied 0% Very dissatisfied	27% Very satisfied 48% Somewhat satisfied 14% Somewhat dissatisfied 11% Very dissatisfied
What is working well with the distance learning model that <i>you would like to see continued?</i>	
<ul style="list-style-type: none"> • Live teacher interactions with students: whole class, small groups and individually • Ability for students to work at their own pace 	<ul style="list-style-type: none"> • Live teacher interactions with students: whole class, small groups and individually • Predictable schedule each day
What is challenging with the distance learning model that <i>you would like to see improved?</i>	
<ul style="list-style-type: none"> • More opportunities to interact with peers • More 1-on-1 time with teachers 	<ul style="list-style-type: none"> • Ability for students to attend school in-person • Learning that challenges every student

Feedback from families who participated in blended learning this fall:

- 82% of Pinewood families were satisfied with the blended learning model.
- 87% of the families thought Pinewood had the right amount of safety measures to keep students and staff healthy.
- 95% of the Pinewood families thought the safety measures were easy for their child to follow.
