

Families can now access student Test History Information in Parent Vue.

Test History Information includes standardized test results.

1. Click on the **Viewpoint Test History** tab on the left side of the screen:

2. Click on the **Viewpoint Test History Link** that appears on the page.

3. Four banners will be visible: **Test Summary**, **Test Results**, **MAP Trending**, and **MCA III Longitudinal**. Click on the triangle on the left to open each banner and see Test History Information.

Click triangles to expand/collapse sections below.

| | | | | |
|------------------------|-------|---------|------|------|
| ▲ Test Summary | Reset | Subject | Test | Year |
| ▲ Test Results | Reset | Subject | Test | Year |
| ▲ MAP Trending | | | | |
| ▲ MCA III Longitudinal | | | | |

4. Use the filters in **Test Summary** and **Test Results** to look at the test history information by Subject, Test, and Year. **MAP Trending** and **MCA III Longitudinal** show test results graphically over multiple years.
