To Parent/Guardian and Prospective Athletes:

1. In order to be eligible to participate in athletic activities or co-curricular activities (games, meets, performances, etc.) Irondale students must be in school all hours of the school day.
2. Irondale students who take part in interscholastic athletics are not permitted to use or have possession of tobacco, drugs, or alcoholic beverages during the calendar year. Penalties are prescribed by the Minnesota State High School League and the Mounds View School District's Student Code of Responsibilities.
3. Students involved in vandalism of school property, violation of school rules (examples: plagiarism, cheating, harassment, attendance) or violation of the criminal code, are considered in violation of the student code of conduct and may be subject to the same or more severe disciplinary action specified for alcohol/drugs.
4. The Mounds View School District does not provide athletic insurance nor does it recommend any insurance carriers who might cover athletes. The responsibility for insurance lies with the individual families.
5. Athletes are responsible for turning in all equipment issued by Irondale and should make note of uniform numbers to avoid confusion at the end of the season. Athletes who have either damaged or lost equipment will need to pay for the equipment in order to be eligible for further participation.

We agree to abide by the rules printed above, in addition to the MN State High School League rules, and the transportation policy which follows. We have read the mouth-guard information and we are aware that the Minnesota State High School League still recommends the use of mouth-guards.
