COMMUNICATION

Newsletter/Emails

At Valentine Hills Elementary we have a bi-weekly electronic newsletter called the Valentine View. In it we publish upcoming events, occasional articles from staff, PTA information, as well as information relevant to families.

Emails and E-news from the school are sent out occasionally with updates relevant to families about upcoming events and timely information.

Mounds View Messaging

Occasionally, an automated voice mail message may be sent from either the district or the principal. These messages may be general announcements, reminders about school lunch accounts, snow days, etc. If you wish to have a number blocked, please contact webmaster@moundsviewschools.org.

ParentVUE

ParentVUE is a parent portal that gives parents secure, electronic access to their child's records. Teachers and staff in all of our schools will use this system to provide families with more consistent and reliable communication about their child's progress than we've been able to offer before.

Please contact the office for an access code so you can set up a ParentVUE account. One account will allow access to the information of all school-age children in your family.

Report Cards

Report Cards will be distributed to the students at the end of Semester 1 and Semester 2. They are also available on ParentVUE.

Common Communication Nights

Each school hosts ongoing parent communication nights. Dates will vary from building to building. Please see your school's website for more details.

Reaching Your Child's Teacher

A staff directory can be found on our school website. It includes email addresses and phone numbers. Please be aware that the teacher may have their phone set-up to go to voice mail while they are teaching. Please leave your message and the teacher will get back to you within 48 hours. If there is an **urgent message**, please contact your child's school office.

Download the App

The easiest way to access Mounds View Public Schools is from your smartphone or tablet. Download the District's fee mobile app, available for customizable, mobile-friendly access to a wealth of information including menus, directions, calendars and directory information. Available for iPhone and Android devices by searching Mounds View Public Schools.

Website/Social Media

Please visit our district website at www.moundsviewschools.org. You can find a wide range of information about the district and about each building. Each school building also has their own website. You can find the district and individual schools on Facebook and Twitter. Don't forget to "LIKE" us on Facebook and follow us on Twitter.

ATTENDANCE

Attendance Line

Please call your school's attendance line if your child will be absent or late to school. This is a voice mail system accessible 24 hours a day, 7 days a week.

Excused Absences (samples)

1. Sickness (School may request verification from a doctor, or the parent may bring the child to be seen by the school nurse.)
2. Doctor's visit (including mental health)
3. Religious holidays
4. Extreme family emergencies

Unexcused Absences (samples)

1. Needed at home (e.g. babysitting)
2. Overslept
3. Travel/Vacation
4. Missed bus

Family Truancy Intervention Program (FTIP)

The basic tenets of FTIP are:

1. Regular school attendance leads to higher academic achievement;
2. Education is a basic need for all children;
3. Education is the key to a successful future;
4. School attendance is mandatory; and
5. Parents of children who do not attend school as required by law will be petitioned to court for educational neglect if, despite FTIP's pre-court diversion efforts, attendance does not improve.

Elementary schools may refer any child living in Ramsey County to the program who has been absent three or more days during a school year without lawful excuse. Schools are encouraged to refer children who are chronically tardy or have excessive illness absences.

FTIP is a diversion program that consists of a three-step process involving progressively intrusive interventions to compel parents to address the attendance problem in a positive manner. Parents who have a child who has been absent three or more days may be referred to FTIP. The student's family is sent a letter informing them of the attendance

problem and requiring them to attend a meeting where an Assistant County Attorney discusses the legal, social and individual ramifications of continued poor attendance.

If school attendance does not improve after the initial intervention, the parents are required to attend a School Attendance Review Team (SART) hearing. Students over the age of 10 may also be required to attend this hearing. At this hearing a school attendance contract is negotiated with the parents. If attendance fails to improve following the SART hearing, an educational neglect petition is filed in Ramsey County Juvenile Court and an expedited hearing is scheduled.

More information regarding the Ramsey County FTIP program can be found at: <https://www.co.ramsey.mn.us/Attorney/FTIPOverview.htm>

When is your child marked absent and/or tardy?

Students will always be marked absent regardless of the reason. The reason for the absence will be listed on their attendance records.

A student is considered tardy if s/he comes into the building after the start bell but before two hours into the morning. After two hours, the student will be marked for a ½ day A.M. absence. A student is considered ½ day P.M. absent if s/he leaves two hours or more before the dismissal bell. If a student leaves early and with less than two hours of the day left, they will be marked tardy.

All tardies will be marked in the student's attendance record with the appropriate reason.

Situations in which students are habitually tardy, or regularly withdrawn from school, but less than two hours early will be dealt with on a case by case basis. FTIP will be utilized as necessary.

Vacation

All schools along with the district regulation regarding vacations. Days missed for vacation are “excused” yet “unapproved” absences. Like any other absence, these are recorded as an absence, and they appear on a student's record. Yet these absences do not count for truancy, and they hold no consequence. We do realize there are times when families take vacations when school is in session. Thank you for your support. To view the regulation, find 3109: Student Rights and Responsibilities at http://www.moundsvIEWSchools.net/pages/MoundsViewPS/School_Board_Group/_Policies/Regulations_-_School_Board. If you choose to take your child out of school for a vacation, please complete a Travel Plans Form. This form is used to inform the school office and teacher of your child's absence and can be found on the last page of this handbook, or in the office.

Homework Make-Up Policy

If your child is absent due to illness:

- For one-day absences, homework will be given to the student upon their return.

- For absences greater than two days:
 - Contact the office to request homework.
 - Homework should be ready to pick up within 24 hours of your request.

If your family is going on vacation:

- It is recommended that family vacations coincide with school vacations. However, if a family trip must be scheduled during school time, follow this plan:
 - Alert the teacher of the upcoming absence.
 - Keep in mind the classroom experience is a critical component to learning. It includes instruction, discussion, guided practice and group work that cannot be replicated when work is sent home to be completed.
 - When your child is on vacation, make-up work:
 - Will be assigned after the child returns. The quantity and type of homework may be modified based on the teacher's discretion.
 - Will be given only for concepts that have already been taught, not future work.
 - Is expected to be completed and returned in a reasonable length of time after the child returns to school.

TRANSPORTATION

Transportation (District Policy and Regulations #EG-0103)

Mounds View Public Schools comply with all applicable Minnesota Law relative to the transportation of students. Riding the bus is a privilege for those students who choose to do so either by residing more than two miles from school or by paying a fee for transportation. All K-12 students will be provided with school bus safety training. It is expected that students will conduct themselves in a respectful manner and not compromise the safety of others on the bus. Behavior problems on the bus will result in consequences ranging from a warning to loss of riding privileges.

Bus Transportation

All kindergarten students are eligible for free school bus transportation. All students in grades first through fifth who live beyond a two-mile walking radius are eligible for free bus transportation. Students who live within this two-mile must pay \$225 per child with a family cap of \$500. If paid after June 8, the fee is \$250 per child with a family cap of \$575. If the fee is paid after January 1, the fee is \$137.50 per child with a family cap of \$275. New families who register after June 8 must pay \$225 per child with a family cap of \$500. Fees that are paid by check can be mailed to the district office or dropped off at your child's school. If you want to pay by credit card, you may do so through child's SchoolView account. If you qualify for free lunch the fee is waived. If you have further questions, you may contact our district transportation department at 651-621-6027.

Parents and students should be aware that most of the School District's buses contain video recorders. School buses equipped with video recorders contain a notice of the video recorder's presence. The purpose of the recorder is to monitor student conduct on the buses, assist in the enforcement of school bus safety rules, and enhance school bus

safety. When riding the bus, students should be aware that his/her actions and conversations may be recorded.

For safety reasons we cannot accept verbal requests from the child regarding changes to their daily transportation.

BUILDING SECURITY PROCEDURES

A visitor screening system helps track visitors and volunteers at each school, providing a safe and monitored environment for students and staff. When parents come to pick-up their child(ren), or visitors check-in, they will be asked to present a valid state-issued ID for entering into the system. The system has the ability to provide alerts on people who may jeopardize the safety of the school.

We are not able to accommodate requests for a child to remain inside for recess unless a doctor's note has been submitted to the health office.

TECHNOLOGY

If your child brings a cell phone and it becomes a distraction to his/her learning or the learning of others, or if it impacts the security of students, a parent will be notified.

ACADEMIC HONESTY

Assignments and assessments given to students are done so for the purpose of measuring grade level concepts and standards. Therefore, it is necessary for each student to complete all assignments and assessments in a honest and fair manner. If students engage in purposeful, academically dishonest practice (e.g. plagiarism), parents will be notified.

ANNUAL PUBLIC NOTICE STUDENT SURVEYS

Periodically, our School District will administer student surveys on a variety of subjects. In addition, our School District participates in the Minnesota Student Survey conducted by the Minnesota Department of Education. The Minnesota Student Survey asks information of our 6th, 9th and 12th grade students. Federal law requires us to notify parents of this activity.

The Minnesota Student Survey is anonymous, confidential and voluntary. Students do not provide their names, school identification numbers or other personal information. No individuals or their families can be identified. The results are reported on the School District's students as a whole. The privacy of students is protected.

There are frank questions on the Minnesota Student Survey about many topics relating to young people's lives. These include use of alcohol or other drugs, safety in and around the schools, physical activity and nutrition, mental or emotional health (stress, feeling bad), illegal or anti-social behavior (theft, chemical use, fighting), and belief systems that affect personal decisions. Questions regarding sexual behavior and attitudes are asked only of 9th and 12th grade students. If students are not involved in an activity, they skip the related questions and go on to the next section. The Minnesota Student Survey also asks about how well school is going, future plans, how adolescents spend their time and about how the school, family and community support them.

As part of Protection of Pupil Rights Amendment (PPRA) (20 U.S.C. § 1232h; 34 CFR Part 98), you are allowed to review the survey and have the opportunity to elect not to allow your child to participate. If you want to review the survey or if you choose to have your son or daughter not take the Minnesota Student Survey or any other surveys administered during the current school year you can do so by contacting your child's school principal in writing prior to the date of the survey administration. The written notice should contain:

- a. Student Name

- b. Student School
- c. Grade Level
- d. Your Name
- e. Your Relationship to Student
- f. A brief statement requesting that your child not participate in the Minnesota Student Survey
- g. Your Signature
- h. Date

SCHOOL CLOSINGS

Announcements regarding school closings due to inclement weather or hazardous conditions will be delivered via a Mounds View Messaging voice mail message, an e-mail message and a text message. Most announcements will come within 30 minutes of a determination to close schools. Information will also be posted at www.moundsvIEWSchools.org, shared on social media and recorded on the Weather Watch Hotline at 651-621-SNOW. Families may also access local television and radio outlets, however no guarantee is made that media will share our information or deliver it in a timely manner. Families are encouraged to keep their contact information up-to-date with their children's schools to ensure receipt of voice mail and e-mail messages. Families should always assume that schools are open unless they hear differently.

AUTOMATED PHONE MESSAGES

On occasion, Mounds View Public Schools will send voice mail messages to families. These notifications may include news about school closings, helpful reminders or announcements, and notices regarding student absences and lunch account balances. Within the exception of emergency calls, all messages are sent to the family's primary phone number on record with the school. Emergency calls will often be sent to all of the family's home, work and cell phone numbers provided to the school. Parents who wish to opt out can do so by sending an email message to webmaster@moundsvIEWSchools.org with the phone number(s) they wish to be blocked.

The following policies and accompanying regulations are referenced in this handbook. To view these policies and accompanying regulations or other policies and regulations in their entirety log on to: the District's home page at www.moundsvIEWSchools.org and find the School Board's web page. The policy page is located at www.moundsvIEWSchools.org/sb_policies.asp. They are under the title of Policy-Ends and Goals or Regulations-Ends and Goals.
