

Chippewa Middle School is partnering with Ramsey County Library to offer public library cards to all students. A Ramsey County Library card gives students access to print and digital books and magazines, online databases, audio books, movies, video games, and more--**ALL FOR FREE!**

If you don't have a Ramsey County Library card, please fill out the [Google Form](#) and one will be created for your student. The cards will be delivered to school and we will make sure your student gets it, whether they are a blended or distance learner. If you have a card already, please fill out the [Form](#) and let us know that. Students who don't live in Ramsey County are still eligible to get a card, since they are a student within Ramsey County. **The last day to sign up will be Friday, October 30th.**
