

LEARNING MODEL TRACKER

Minnesota school districts have been asked to determine their learning model based on local health data and the number of positive cases in their local county over a period of two weeks. The state will provide updated numbers every 7 days for a two-week period. Distance learning is always an option families can choose.

Our latest number:
87.50

Current learning model:
Distance learning for all students effective December 1.

Confirmed COVID-19 cases per 10,000 residents in Ramsey County

County/Date range	9/20-10/3	9/27-10/10	10/4-10/17	10/11-10/24	10/18-10/31	10/25-11/7
Ramsey	21.59	26.56	31.25	34.26	49.95	87.50

Selecting a learning model for school opening STAY SAFE MN

Number of cases per 10,000 over 14 days, by county of residence	Learning model
0-9	In-person learning for all students
10-19	In person learning for elementary students; hybrid learning for secondary students
20-29	Hybrid learning for all students
30-49	Hybrid learning for elementary students; distance learning for secondary students
50+	Distance learning for all students
