Schedule Changes after the Registration Deadline

Students are asked to communicate with their teachers and deans before the registration deadline to make sure all of their questions have been answered and they feel comfortable and confident in their course selections. After the registration window closes on we will **ONLY** make schedule changes for the following reasons:

- The schedule contains a true error or does not have six classes scheduled (students are to come to Student Services at the beginning of the missing period during the first four days of school);
- The schedule needs adjustment to accommodate PSEO, 916, or a work program;
- The student has not met a prerequisite to take a course and must replace it;
- A senior requires a change to meet graduation requirements; or
- A junior or senior decides to be a Teaching Assistant (TA) and is on track to graduate.
