Minnesota Office of Higher Education's Summer Nudging Program

Minnesota's Office of Higher Education (OHE) offers a free, text message-based, college access program called Summer Nudging. Summer Nudging sends helpful reminders and recommendations via text messages to help students stay on track for college enrollment. These free text messages remind students about important college to-do's, like FAFSA and financial aid information, transcript reminders, placement exam information, orientation and class registration dates, housing and meal plan information, and transportation options. Students and Parents can sign up by texting "COLLEGE" to (651) 243-9980.
