1. Science Safety, Fume Hood, Compressed Gas & Eyewash Inspections

Brenda summarized the results recommendations based on the 2015-2016 inspections.

2. Radon Detectors

Radon detectors placed throughout the district will be picked up over Spring Break (March 22 & 23) and sent to the laboratory for analysis.

3. Lead in Water Testing

The water in seven district buildings will be tested for lead in the near future. The district has a 3-year schedule to test all buildings. Buildings to be tested this school year are Pinewood Elementary, Turtle Lake Elementary, Highview Middle School, Mounds View High School, Early Childhood Education, Silver View Plaza & Wynnsong.

4. New Business or Concerns

- a. The district uses Oxyvir wipes throughout for disinfecting. Expiration dates were discussed as some are expiring. Chris has encouraged Building Engineers to order only what is needed and to not stock up since the wipes do expire.

The meeting was adjourned at 3:35 pm.

Our last meeting for this year is scheduled for April 11, 2016.
