Child Nutrition Program: 1.0 Package = 2.0 Grain Equivalents

IMPORTANT: The Nutrition Facts values are accurate only if nothing has been added (e.g., egg wash, icing, etc.) If left blank, you must fill in the correct baked weight for serving size, servings per container, and net weight.

IMPORTANT: The Nutrition Information is given in unrounded figures so that it can be combined with other ingredients used in making up finished products.

The most accurate label information for package contents will always be on the product label. This product profile is correct through the date above. Because product formulations and related product attributes may change, this information is subject to change.
