Grades 1-5

Enrollment: 676

Kindergarten (Pike Lake Education Center)

Enrollment: 132

We're personal

Students meet with their teacher individually and in small groups of 2 - 6 students multiple times throughout the week for personalized instruction.

At Valentine Hills, students enjoy one-on-one and small-group learning opportunities with teachers who know their students' needs.

Personalized instruction

Through flexible skill grouping, Valentine Hills students receive personalized instruction every day based on their current academic level. Small-group instruction is aligned to the same set of high standards offered in the traditional classroom setting, yet allows for more personal connections and multiple instructional approaches to accommodate the varying learning needs of students.

Individualized attention

Every student has different academic and social needs. Valentine Hills realizes this and provides a variety of programs, courses and services tailored to each student's needs.

- Flexible skill groupings allow for students to be met at their instructional level.
- A full complement of mandated special education and related services are available for students with educational disabilities.

All students receive individualized attention at Valentine Hills, not simply the high performance groups and the at-risk students. Valentine Hills ensures that students who fit into the "majority in the middle" receive the attention and guidance they need to succeed. Each student has individualized growth goals customized to his or her unique achievements.

Kindergarten

The District offers a no-fee, all-day, every day kindergarten program. The program reflects the District's comprehensive Pre-K - 14 initiative that includes The Equity Promise, which states that all students will be prepared for post-secondary success regardless of race, gender, class or disability. Kindergarten students from Valentine Hills Elementary School attend Pike Lake Education Center at 2101 14th Street NW in New Brighton, along with kindergarten students from Bel Air, Pinewood and Sunnyside.

A personal program

Valentine Hills' curriculum is standards based and incorporates District learner outcomes and state and national standards. The program includes language arts, mathematics, science, social studies, the arts, physical education and technology.

Valentine Hills students also participate in Spanish language courses in grades four and five. Teachers continually provide written and verbal feedback as students grow academically on the continuum of learning. Teachers concentrate on skills-based lessons at all levels of learning and differentiate their instruction to meet the learning needs of each student.

Instructional technology

Valentine Hills is committed to implementing technologies that best align with instructional needs.

- Wireless access points are available throughout the building, making the Internet accessible in classrooms and all areas of the school.
- All instructional spaces at Valentine Hills are equipped with LCD projectors and SMART Boards. In many classrooms, iPads, iPods and Chromebooks are being used to support high quality instruction. For example, teachers are using Google classroom, Google forms and other tools to support learning.
- As part of the District's technology vision, access to technology tools will continue to increase in classrooms. Increased access to technology provides students with opportunities to extend their learning beyond the classroom walls and allows teachers to personalize instruction to meet the needs of all students. Other technology being used at Valentine Hills includes mobile laptop labs and literacy technology tools.

Safe & supportive

The state has recognized Valentine Hills as a **leader in positive behavior support**.

A variety of programs and services create a welcoming, positive environment throughout Valentine Hills.

Positive behavior

Valentine Hills follows the Positive Behavioral Interventions and Supports (PBIS) continuum to promote positive behavior for all students in classroom and non-classroom settings. Valentine Hills has been recognized by the Minnesota Department of Education as a Sustaining Exemplar School for successfully implementing PBIS. The focus at Valentine Hills is on CARES (demonstrating cooperation, assertion, responsibility, empathy and self-control).

Before- & after-school care

Valentine Hills offers a variety of academic, social and recreational activities designed for students in all grades. These before- and after-school programs offer some free, fun and constructive opportunities for students to spend their time productively. Activities are available year-round with a full-day program available in the summer. In addition, some students participate in Elementary Targeted Services programs that offer a variety of after-school academic enrichment offerings.

Transportation

Mounds View Public Schools provides free bus service for Valentine Hills students living two miles or more from their school. In addition, the District offers fee-based bus service within two miles to accommodate parents' requests for transportation assistance.

Nutrition services

Valentine Hills teaches healthy eating habits by introducing students to a wide variety of food choices. Students can enjoy breakfast and lunch daily. All menus meet nutrition requirements established by the USDA. Families may apply to receive free or reduced-price meals based on need.

Notifications

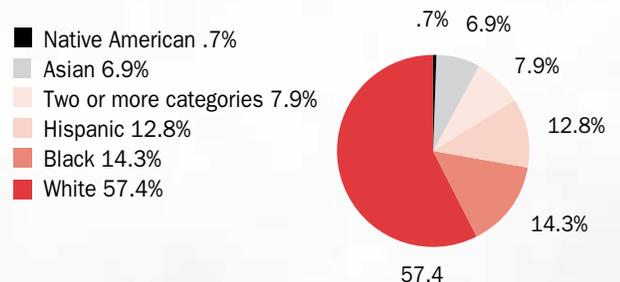

Ongoing communications about District and school news and events are delivered to parents and subscribers regularly via paperless e-newsletters. Emergency notifications can be delivered to all families in a matter of minutes in the event of a school closing or critical situation. The Mounds View Messaging system sends personalized voicemail and text messages to parents' phones and email addresses simultaneously.

Connectedness

Feeling connected to school is a key to academic success.

Students who feel connected to their school do better in school and in life beyond our walls. That's why Valentine Hills emphasizes student connectedness through a variety of efforts.

Activities

- Valentine Hills boasts an orchestra with instruction available to students in fourth and fifth grades.
- Band instruction begins the summer before fifth grade. Each student receives one instrumental lesson during school and one group practice session each week after school.
- Group music practices and access to other specialized programs gives students a variety of opportunities to get involved in activities and feel connected to their school.
- Weekly before- and after-school activities include choir and chess club.
- CARES Council consists of 4th- and 5th-grade leaders who help plan school events.
- 1st – 3rd-grade students are partnered with Reading Buddies from Boston Scientific.

Online parent portal

Valentine Hills parents are encouraged to play an active role in their child's school experience. Parents can stay connected to their student's attendance records, test history, schedules, report cards and personal information using the Mounds View Public Schools online parent portal known as ParentVUE.

Communication hours

Valentine Hills offers proactive communication time during which teachers reach out and connect with families regarding student progress.

PTO

Parent/school partnerships are available through the Valentine Hills PTO.

In 2018, for the sixth consecutive year, Mounds View Public Schools was one of only eight school districts in Minnesota to earn the Best Communities for Music Education designation.

The Laurentian experience

Valentine Hills fifth-graders have the opportunity to attend a multi-day environmental team-building and leadership development experience at the District's Laurentian Environmental Center in the Superior National Forest in Northeastern Minnesota. Students participate in hands-on exercises like navigation and mapping to learn science, math and environmental lessons. More importantly, students learn leadership and problem-solving skills by participating in team-building missions and rock-climbing exercises amid acres of wilderness and diverse wildlife habitat.

High achievement

Valentine Hills students perform **one half to three years ahead** of their national peers in math and reading.

– Median performance of students on the NWEA Measures of Academic Progress

Valentine Hills Elementary School is a member of Mounds View Public Schools, a school district of more than 11,000 students whose test scores routinely rank in the Top 10 of metro districts. Mounds View Public Schools matches the performance and opportunities of area private schools, yet offers the value of public schools.

District Average	356.25	360.35	455.09	462.9	557.96	554.27	554.09

The Equity Promise:

- Programs and services will be in place at all schools to ensure that race, gender, class and disability will not predict students' success.
- Students' academic performance will not fall into patterns identifiable by factors such as race, ethnicity, English language proficiency, socio-economic status and disability.
- The school that a student attends will not be the predictor of his or her success in school.

Habits of Mind

As early as in elementary school, students are receiving preparation for post-secondary success. The District's "12 Habits of Mind" are skills Valentine Hills students practice to increase their likelihood of success in college or a career.

1. Persisting
2. Managing impulsivity
3. Listening with understanding
4. Thinking flexibly
5. Striving for accuracy
6. Questioning and problem posing
7. Applying past knowledge to new situations
8. Thinking and communicating with clarity
9. Creating, imagining and innovating
10. Engagement
11. Teamwork
12. Continuous learning

A popular choice

Year after year, we consistently enroll more than 80 percent of the students in our attendance area.

Enroll

Valentine Hills welcomes students in its attendance area, which includes parts of Arden Hills, New Brighton, and Roseville.

To enroll, residents can call 651-621-7800.
